Thornhill Patch (53" x 67")

A new approach to Disappearing 9 Patch quilts.

Learn how to cut, sew and press accurately. This is a beginner class, but more experienced quilters are welcome to join us as we will be focusing on basics and borders. This is a 2-part class. Students will have opportunity to rent the longarm machine (at a reduced rate) to quilt their quilt.

- Part 1 will be 3 hours discussing and sewing the blocks. Learn/review how to use rotary cutting tools correctly; how to sew with an accurate ¼" seam allowance; how to press correctly so that the fabric doesn't stretch. In class we'll sew a couple of blocks, decide on the block arrangement and begin sewing the top together. Students will be required to complete the quilt top at home in preparation for the 2nd class.
- Part 2 will be 3 hours in length and we'll be measuring, cutting and sewing the borders. The pattern plans for 3 borders to give students lots of practice. The quilts will lay flat with no waffles or waves! Students are encouraged to pre-cut the border strips to save time in class.

Supply list: Students will piece one of 3 quilt variations. See images on the website.

- **Thorncilff Patch** (pattern included in cost of registration)
- **Fabric Requirements**
 - Backing for all versions: 3 meters (40" wide) or 1.5 meter (108" wide)
 - Batting for all versions: 1.5 meters low loft batting (available for purchase from MRQ if required)
 - **Version A** uses yardage in only 2 fabrics. This would work perfectly in a large scale print and a coordinating solid or small scale print.
 - Fabric A: 1.5 meter
 - Fabric B: 1.8 meter
 - Border & Binding: 1.6 meter
 - **Version B** uses yardage in 3-4 fabrics. Choose coordinating fabrics for A & B and a high contrast for C and the Border & Binding. You may want to use the same for C and the Border & Binding.
 - Fabric A: 1.5 meter
 - Fabric B: 1.5 meter
 - Fabric C: 0.3 meter
 - Border & Binding: 1.6 meter
 - **Version C** uses Fat Quarters of Fabric. Choose FQs that are complementary in 2 colour ways. Choose medium to medium/large scale prints. Fabric C should be a fabric that coordinates and contrasts to both A and B FQs in a solid or small scale print. You may want to choose the same fabric for C and Border & Binding.
 - Fabric A: 6 FQ
 - Fabric B: 6 FQ
 - Fabric C: 1 FQ
 - Border & Binding: 1.6 meter

Other Supplies

- Rotary Cutting Tools: 24" x 6" ruler, Rotary Cutter with fresh blade, medium sized rotary cutting mat. We'll discuss the best choices for purchase during class. Students are welcome to use the Studio's tools during the first class.
- Sewing Machine: in good working order with ALL accessories and sewing machine manual and size 12 needles. A machine may be available to rent (\$5.00) during class time.
- Sewing Tools: Cotton thread for piecing. Thread snips, seam ripper, straight pins, small ruler, pen or pencil for notes,

If you are part of a group of quilters and would like to book a class for your group, please call the studio.
